## Terms and conditions

Explore federal loans and compare to make sure you understand the terms and features. Private student loans that have variable rates can go up over the life of the loan. Federal student loans are required by law to provide a range of flexible repayment options, including, but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness and deferment benefits, which other student loans are not required to provide. Federal loans generally have origination fees, but are available to students regardless of income.

Sallie Mae loans are subject to credit approval, identity verification, signed loan documents, and school certification. This loan is available to students at participating schools and is not intended for students pursuing a graduate degree. Student or cosigner must meet the age of majority in their state of residence. Students who are not U.S. citizens or U.S. permanent residents must reside in the U.S., attend school in the U.S., apply with a creditworthy cosigner (who must be a U.S. citizen or U.S. permanent resident), and provide an unexpired government-issued photo ID. Requested loan amount must be at least \$1,000.

<sup>1</sup> Loan amount cannot exceed the cost of attendance less financial aid received, as certified by the school. Sallie Mae reserves the right to approve a lower loan amount than the school-certified amount. Miscellaneous personal expenses (such as a laptop) may be included in the cost of attendance for students enrolled at least half-time.

<sup>2</sup> Based on a comparison of approval rates for Sallie Mae Smart Option Student Loans for undergraduate students who applied with a cosigner versus without a cosigner during a rolling 12-month period from October 1, 2022 through September 30, 2023.

<sup>3</sup> Although we do not charge a penalty or fee if you prepay your loan, any prepayment will be applied as outlined in your promissory note—first to Unpaid Fees and costs, then to Unpaid Interest, and then to Current Principal.

<sup>4</sup> Interest is charged starting when funds are sent to the school. With the Fixed and Deferred Repayment Options, the interest rate is higher than with the Interest Repayment Option and Unpaid Interest is added to the loan's Current Principal at the end of the grace/separation period. Payments may be required during the grace/separation period depending on the repayment option selected. Variable rates may increase over the life of the loan.

<sup>5</sup> The borrower or cosigner must enroll in auto debit through Sallie Mae to receive a 0.25 percentage point interest rate reduction benefit. This benefit applies only during active repayment for as long as the Current Amount Due or Designated Amount is successfully withdrawn from the authorized bank account each month. It may be suspended during forbearance or deferment.

<sup>6</sup> Borrowers and cosigners with an available FICO<sup>®</sup> Score and a Sallie Mae loan with a current balance greater than \$0, may receive their score quarterly after the first disbursement of their loan. The FICO<sup>®</sup> Score provided to you is the FICO<sup>®</sup> Score 8 based on TransUnion data, and is the same score that Sallie Mae uses, along with other information, to manage your account. FICO<sup>®</sup> Scores and associated educational content are provided solely for your own non-commercial personal review, use and benefit. This benefit may change or end in the future. FICO<sup>®</sup> is a registered trademark of the Fair Isaac Corporation in the United States and other countries.

<sup>7</sup> If a student dies or becomes permanently and totally disabled, the current balance of the loan will be waived.

<sup>8</sup> Loans are available to cover costs for a prior enrollment period if the last date of the enrollment period is no more than 365 days prior to the loan's first disbursement date. The student must have been enrolled for the full period covered by the loan. When applying for the loan, the student must be enrolled in school or have graduated and must not have withdrawn with no intention of re-enrolling, as verified by the school. Loans must be used only for expenses that are directly billed by the school and included in the school's cost of attendance.

<sup>9</sup> Only the borrower may apply for cosigner release. To do so, they must first meet the age of majority in their state and provide proof of graduation (or completion of certification program), income, and U.S. citizenship or permanent residency (if their status has changed since they applied). In the last 12 months, the borrower can't have been past due on any loans serviced by Sallie Mae for 30 or more days or enrolled in any hardship forbearances or modified repayment programs. In addition, the borrower must have paid ahead or made 12 on-time principal and interest payments on each loan requested for release. The loan can't be past due when the cosigner release application is processed. The borrower must also demonstrate the ability to assume full responsibility of the loan(s) individually and pass a credit review when the cosigner release application is processed that demonstrates a satisfactory credit history including but not limited to: bankruptcy, foreclosure, student loan(s) in default or 90-day delinquencies in the last 24 months. Requirements are subject to change.
